Island inspirations—like these rich green hues and natural fabrics—are like a soft summer breeze.

Summer Spoons

These beautifully crafted spoons—made from solid ebony wood—add a touch of island style to your kitchen. Available in natural or stained in rich, green-tinted or natural-glass—also for serving, available for any summer table. (Available from Target, Amazon)

Start off your day with a touch of island style. The elegant, hand-crafted spoons are made from solid ebony wood. Available in natural or stained in rich, green-tinted or natural-glass—also for serving, available for any summer table. (Available from Target, Amazon)
